Dear Mr Thompson,

CARDIOLOGY OUTPATIENT APPOINTMENT

Following your recent admission to hospital, you have been offered an appointment with the Cardiology Department.

Appointment Details

Clinic: General Cardiology Follow-Up Clinic

Consultant: Dr James Patel, Consultant Cardiologist

Date: 28 July 2025

Time: 10:20 AM

Location: Cardiology Outpatients
St George's University Hospital
Main Outpatients Department
Ground Floor

Reason for Appointment

Review following recent attendance with chest pain and ongoing management of your heart condition and angina symptoms.

Please arrive approximately 15 minutes before your appointment time to allow for registration.

What to Bring

- A list of your current medications.
- Any GTN spray you currently use.
- Any recent hospital correspondence.
- Details of symptoms you have experienced since discharge.

Accessibility Requirements

If you require assistance accessing the clinic, please contact the department before your appointment. Disabled parking spaces are available near the main entrance. Lift access is available throughout the hospital.

If you are unable to attend, please contact the booking office as soon as possible on 01234 555555 so that we may offer the appointment to another patient.

Yours sincerely,

Amanda Roberts

Outpatient Booking Coordinator

Cardiology Department

St George's University Hospital

IMPORTANT INFORMATION

If you experience chest pain that is severe, worsening, occurs at rest, or is not relieved by your prescribed GTN medication, you should seek urgent medical attention.

This correspondence contains confidential medical information intended solely for the recipient named above.
