How your disability affects you

Full name

Michael Thompson

National Insurance (NI) number

Q Q 1 2 3 4 5 6 A

Please fill in this form and return it to us **straight away**.

We have sent you an **Information Booklet** to help you complete the form. In the **Information Booklet** we:

- give advice on where you can get help to complete the form
- explain the questions we ask
- tell you how to answer the questions, and
- give you examples of other things you can tell us

If you need to ask for more time to complete this form please call us on **0800 121 4433** (0800 121 4493 if using a textphone).

If you do not return this form to us and we do not hear from you to ask for more time to complete it, we may end your claim to PIP.

If you do not want to continue with your claim and will not be returning this form, please call us on **0800 121 4433** (0800 121 4493 if using a textphone).

What you need to do

Step 1 – Read through this form and the Information Booklet.

Step 2 – Fill in this form (in pen) to tell us how your health condition or disability affects you.

Step 3 – Read and sign the declaration on page 32.

Step 4 – Return the form to us with **photocopies** of any additional information.

Additional information to support your claim

As well as completing this form it is important that you help us to understand your needs by providing additional information. This should explain how your health condition or disability affects your daily life.

Do send information that shows how your health condition or disability affects you carrying out day-to-day activities.

Do not send general information about your condition like fact sheets or information from the internet.

Only send us photocopies of information you already have available to you. We cannot return any documents to you.

There is more information, including examples of what to send us in the Information Booklet we sent you with this form.

Please put your name and National Insurance number on the top of each document.

Section 1 – About your health professionals

If you need to add more please continue at **Q15 Additional information**.

Q15 – Additional information

Tell us anything else you think we should know about your health conditions or disabilities and how these affect you, that you have not mentioned already.

If any carers, friends or family want to provide further information they can do it here.

You do not have to complete this part if you have covered everything in the form

N/A

Continue on separate pieces of paper, if needed. Remember to write your name and National Insurance number at the top of each page and tell us which questions your comments refer to.

Section 4 - What to do now

Also see **page 11** of the Information Booklet:

- check you've answered all the questions and sign the declaration in ink
- place this form in the envelope provided so that the address on the back page shows through the window

What happens next

After we have received your form we may contact you to arrange a face-to-face consultation with a health professional.

This will give you the chance to tell us more about how your health condition or disability affects your daily life. If you have given us enough information, we might not need to see you.

If we ask you to go to a face-to-face consultation, you must attend, or we cannot decide if you are able to get PIP.

Coming to a face-to-face consultation

You will be able to take someone with you. If you cannot attend on the date given, you can contact the health professional to rearrange. The consultation will last about an hour, it is not a full physical examination, but the health professional will talk to you to understand how your health condition or disability affects your daily life.

Tell us about any help you (or someone you bring with you) would need if you have to go for a face-to-face consultation.

I don't manage steps well so would need lift access and somewhere to park close by.

Consent

We are looking again at your Personal Independence Payment. When we do this we may want to get information about your health condition or disability and how it affects you. We may also want to get information if we get any request to reconsider or appeal our decision about your Personal Independence Payment. We may want to contact your GP, or other people or organisations, to get this information.

You do not have to agree to us contacting these people or organisations. If you do not agree to this, we may not have all the information we need when we make a decision about your Personal Independence Payment.

Do you agree that: Yes

- **we, or someone working on our behalf, may ask your GP, or other people or organisations, for this information** No
- **your GP, or other people or organisations, can give us, or someone working on our behalf, this information?**

Declaration

We cannot pay any benefit until you've signed the declaration and returned the form to us. Please return the signed form straight away.

I declare that the information I have given on this form is correct and complete.

I understand if I give wrong or incomplete information, my benefit may be stopped and I may be prosecuted or may have to pay a penalty.

I understand I must promptly tell the office that pays my Personal Independence Payment of anything that may affect my entitlement to, or the amount of, that benefit.

This is my claim for Personal Independence Payment.
